A must read to keep your marriage moving forward and nipping problems in the bud.Helps you to focus/refocus on what matters.0 of 0 people found the following review helpful. Like the novella perspective.By BuzzGood information to read every once in awhile to rekindle romance. It's not new information but gets you back in the here and now.0 of 0 people found the following review helpful. Five StarsBy Greg Schimmelgood read*

*By God's design, romance is supposed to be the flame in the fireplace of marital intimacy. Yet far too many Christian couples feel cheated because their marriage produces as much spark as a book of wet matches. Others have neglected to fan the flames of passion for so long that they have lost hope of experiencing romance. Rekindling the Romance, now available in trade paper, is organized into short, biblically-based chapters. Packed with practical insight, this tastefully candid and inviting re ...*
